GREENLINK INTERNATIONAL INC. ANNOUNCES THE APPOINTMENT OF JAKE GEORGE AS PRESIDENT AND CHIEF EXECUTIVE OFFICER OF GREENLINK INTERNATIONAL INC.

Tacoma, Washington – The Board of Directors of GreenLink International Inc. (“GreenLink” or the “Corporation”) is pleased to announce the appointment of Jake George as GreenLink’s new CEO and President, effective immediately.

Jake’s appointment is a clear reflection of the Corporation’s state of development: ready to take on the significant opportunities which currently lie before us and to fully utilize his nine years of background and experience within the regulated Cannabis Industry. Jake is widely recognized as an expert in all aspects of the business from seed to sale within the regulated cannabis business environment and with his support team was the driving force in developing the substantial business operations of Affordable Green Holdings.

There is an enormous opportunity for GreenLink’s development that lies ahead and the Corporation could not be happier to have Jake’s goal orientated, focused leadership style, industry expertise and unique market-place understanding leading the way. Jake will take over from Doug Mac Donald, who assumed the position of Acting President and CEO upon the passing of Corporation’s President and CEO Coby Boyce in the summer of 2017.
